1) **REMEMBER: TUESDAY JAN 26TH IS THE LAST DAY TO ADD A 16-WEEK COURSE TO YOUR SPRING SCHEDULE**
   If you would like to add a 16-week course to your spring schedule, you have until Tues Jan 26th to do so. After the 26th, you can email your Academic Advisor to ask for a list of options for adding courses to your fall schedule after the 26th.

2) **REMEMBER: MONDAY FEB 22ND IS THE LAST DAY TO DROP A 16-WEEK COURSE WITHOUT A GRADE ON YOUR TRANSCRIPT**
   Monday Feb 22nd is the last day to drop a 16-week course from your spring schedule without receiving a grade in the course. Please check the refund schedule here:
   [http://cashiers.missouri.edu/refunds/schedule.html](http://cashiers.missouri.edu/refunds/schedule.html)
   If you have struggled academically in past semesters, set your phone alarm for Monday Feb 15th to say that Mon Feb 22nd is the last day to drop.
3) HOPING TO ENROLL IN AN ON-CAMPUS PSYCHOLOGY COURSE THAT IS CLOSED OR YOU ARE UNABLE TO ADD?
To request on-campus psychology courses, email Jill at EdwardsJi@missouri.edu with the information below.
1) Your Name
2) Your Student ID
3) Your MU email address
4) Your Major and Minor (if applicable)
5) Your graduation date
6) Course info -- write like this: "Psych 1000 Lecture 4"  

DID YOU KNOW? When registering on myZou, you will ALWAYS see a permission number box, but you only need to enter in a permission number if the course is closed, or if the Class Notes say that you must request a permission number to enroll in the course.

4) HOPING TO ENROLL IN AN ON-CAMPUS NON-PSYCHOLOGY COURSE THAT IS CLOSED OR YOU ARE UNABLE TO ADD?
For NON-psych courses only: If you are trying to enroll in a non-psychology course and it is closed, you may contact the instructor of the course (or the department that offers the course) to inquire about requesting a permission number to add the course. You can find instructor names by clicking on the lectures on myZou. If no instructor is listed, contact the department offering the course (e.g., Romance Languages, English) to inquire about requesting permission numbers. When you contact the instructor, they may tell you to wait until January to request, or contact the department to request a permission number, or give you a permission number to add the course, or put you on a waiting list, or tell you no, or tell you to come to the first day of the course, or come in on a certain day and fill out a request form, etc. Remember to be short-n-sweet in your request!

5) HOPING TO ENROLL IN A MIZZOU ONLINE COURSE THAT IS CLOSED OR YOU ARE UNABLE TO ADD?
• Sometimes online courses have spaces reserved for “true” distance students (i.e., students that cannot take courses on-campus) – if the course you are hoping to add looks open, but myZou does not allow you to add and gives you this message: “Available seats are reserved and you do not meet the reserve capacity requirements” that is the reason why. You just need to keep trying to add just in case a non-true-distance-seat becomes open. If you have any questions, check with Mizzou Online: 573-882-2491, email MizzouOnline@missouri.edu.
• All A&S majors can add the online courses at any time as long as they are OPEN and seats are available for non-distance students. (Mizzou Online holds a certain number of seats in each course for true distance students, e.g., someone living in Chicago.) There is one exception: Psych 3010 (Research Methods I, see below for more information). If you are not an A&S major, check with your Academic Advisor to see if you can add online courses on your own.
• A&S students (including psychology majors) may enroll in a maximum of 7 hours of online coursework each semester. A&S will not approve A&S majors to take more than 7 hours online. If you are not an A&S major, check with your Academic Advisor to see if there are restrictions on the number of online course hours you can take each semester.
• If the online psychology course is a self-paced course, you must enter a “Start Date” before myZou will allow you to add the course – click on the calendar icon to choose a Start Date.
• If the online psychology course you hope to take is closed, you need to keep checking myZou for open seats.
• We only restrict ONE of the psychology courses that are offered online: Psych 3010 (Research Methods I). To enroll in Psych 3010, you must EITHER have Stat 1200 completed with a C or better (no C- or below) OR you must be co-enrolled in Stat 1200 (i.e., Stat 1200 must already be on your schedule, then you will be able to enroll in Psych 3010). To enroll in Psych 3010 online only, please email Melanie at IrishM@missouri.edu to request a permission #.
• Other than Psych 3010, our office does NOT give permission #’s for the online psychology courses. Please contact Mizzou Online with any questions: 573-882-2491, email MizzouOnline@missouri.edu

6) Attend the PSI CHI/PSYCH CLUB MEETING Tuesday January 26th at 5pm in 102 McAlester Hall.
All undergraduate students interested in psychology are invited to the first meeting of the semester next Tuesday Jan 26th at 5pm in 102 McAlester. Psi Chi/Psych Club is a student organization that is open to all undergraduate students who are interested in psychology. Some of our activities include: bringing in guest speakers (graduate students, faculty members, psychologists, hypnotists), keeping an email distribution list for members, helping with community service projects, learning about research opportunities available to students, and planning fun social events and field trips. It’s a great way to get connected with our department and other undergraduate students interested in psychology. All are welcome to join us!
Pronunciation of Psi Chi: “Psi” = exactly sounds like “Sigh”, then “Kie – like “kite” without the “t”. Sigh Kite. Sigh Kie. Psi Chi! Yay!
Any student can be a part of our group, but those that also meet the requirements to join the Psi Chi National Honor Society will apply to join the honors society – you will receive more information about this at the first meeting!
Find Psi Chi/Psych Club on Facebook: Mizzou Psi Chi/Psychology Club
If you have any questions, please do NOT email your academic advisor, please contact the Psi Chi/Psych Club officers at aspsichi@missouri.edu. Thanks!

7) Looking for a job this semester? Check out On-Campus Job Hiring for Spring Semester and Summer
Looking for a job this semester? Want to learn more about your school or college while helping support campus programs? Scroll no further. The Tiger Calling Center is hiring MU students to phone MU alumni on behalf of the Mizzou’s Schools and Colleges. Student callers provide updates on upcoming Mizzou events and facilitate giving to various funds all across campus. Strong English-speaking skills, a positive attitude and a commitment to MU values required. We offer flexible evening and weekend schedules, up to $8.40 per hour starting pay, and we are in walking distance of every campus location. Please visit http://missouri.thecallingcenter.com/ or call 573-884-5490 for more information and to apply. M-I-Z!

11) Apply to Participate in the Alcohol Research Training Summer School (June 1-7) or Internship Program (June 8-29)
The MU-ARTSS program is designed for undergraduate students interested in alcohol research and possible careers as alcohol researchers. The Department of Psychological Sciences at the University of Missouri (MU) hosts a diverse cadre of psychologists dedicated to research into the etiology and course of alcoholism and related disorders. MU-ARTSS investigators represent a wide array of expertise in the science of alcohol and addiction including genetics, personality, psychopathology, social and affective neuroscience, and social network analysis. Students participating in the MU-ARTSS program are part of the larger MU Summer Undergraduate Research Program (MU-SURP) which hosts approximately 100 students from universities and colleges across the Nation every year. Students participating in the program develop a research abstract and create a poster to present at the Summer MU Undergraduate Research and Creative Achievements Forum. Check out more information at this link: http://alcoholresearch.missouri.edu/relatedtraining.html
If you have questions, contact Carol Waudby, Project Coordinator, 573-882-1682, waudbyc@missouri.edu

12) Do you know an award-worthy undergraduate Academic Advisor?
Nominate someone for the MU Excellence in Advising Award. Nominations include four letters and will be submitted through an easy-to-use Qualtrics survey by 5 p.m. Feb. 19, 2016: http://tinyurl.com/Excellence2016. For more information, please visit the Advisors Forum website: http://advisorsforum.missouri.edu/awards.shtml or contact Lindsey Hagglund, awards committee chair, at HagglundL@missouri.edu.
