

The Cognitive and Clinical Neuroscience Lab is seeking dedicated, enthusiastic, and hard-working undergraduate research assistants (URAs) to help with a few ongoing electroencephalography (EEG) studies. This is a great opportunity to gain lab experience, learn psychophysiological research methodology, and work directly with clinical patients. If you are willing to be a part of our lab, please contact Miss Xi Ren via email [xrfd2@mail.missouri.edu](mailto:xrfd2@mail.missouri.edu).
